You can find full details of your course in the *Programme Specification*.

Important points

- Undertake further specialist postgraduate training to develop career aspirations in skin integrity and wound management with an emphasis on clinical skills as well as the scientific, evidence base underpinning contemporary wound management practice
- Improve your understanding of; the burden of chronic wounds: assessment and diagnostic techniques, barriers to healing, wound physiology, cutaneous manifestations of systemic disease, inflammatory skin conditions and skin/wound infections, chronic oedema, psychological impact of wounds and associated skin conditions, patient education, compliance and optimal service delivery.
- Select from a range of specialist modules to create a flexible programme of study to reflect your specific clinical interests
- Learn in the university's top-class facilities, assisted by enthusiastic tutors and health service staff with specialist wound management expertise.

Academic Year

Academic Year 2021 – 2022

The course start date will be on Tuesday 26th October

The University's academic year is made up of 3 Semesters.

- Semester A runs from Monday 27 September 2021 to Friday 21 January 2022
- Semester B runs from Monday 24 January 2022 to Friday 13 May 2022
- Semester C runs from Monday 16 May 2022 to Friday 09 September 2022

Additional expenses

Due to the ongoing effects of the pandemic some teaching sessions may be delivered online. Therefore, to study online you will need access to a suitable computer or similar electronic device and a good reliable Internet connection, which may incur additional expenses.

Please note that our Learning Resource Centres (LRCs) have PCs and Macs available to use, including hi-spec PCs. The university also has laptop loans available at both LRCs and provide a

remote desktop portal service to allow users to access the software on Lab and LRC Windows PCs when not on campus.

| Description | Year | Mandatory/ Optional | Estimated cost |
