Important points

- This programme will explore workplace issues and challenges from a human resource and psychology perspective
- You will develop your reflexivity skills in a work based assignment
- You will develop a portfolio of skills so you can deliver helpful and practical workplace solutions
- Your applied psychology research project, usually conducted within an organisation, will enable you to gain insight into and deliver recommendations for an organisation
- You will be supported in your studies by tutors who are themselves industry professionals
- You will receive one year free membership of the Association of Business Psychologists
- This programme forms stage one of the British Psychological Society Qualification in Occupational Psychology

Academic Year

Academic Year 2021 – 2022

The University's academic year is made up of 3 Semesters. Normally most undergraduate programmes use Semesters A and B, additionally postgraduate programmes and specific undergraduate programmes use Semester C. Each of these is made up of teaching weeks followed by exams (the re-sit period falls within Semester C).

- Semester A runs from Monday 27 September 2021 to Friday 21 January 2022
- Semester B runs from Monday 24 January 2022 to Friday 13 May 2022
- Semester C runs from Monday 16 May 2022 to Friday 09 September 2022
